

Olympic Triton

Multifunctional subsea vessel

The vessel features a 150 Te AHC crane with a 3000-meter wire capacity, a heli deck, and a dual WROV hangar with LARS. It accommodates up to 100 people, with a large deck area and significant cargo capabilities for most operations. The layout is optimized for subsea tasks, and it is equipped with a Kongsberg K-Pos DP21 dynamic positioning system, along with removable bulwarks on the starboard, aft, and port sides for added flexibility.
